

# Equinox 3W LED Pinspot

## Equinox 3W LED Pinspot (Black Housing)

A perfect replacement for the traditional pinspot. This LED Pinspot is ideal for bars, clubs, productions, as well as mobile DJs. Using a 3W white led, this unit produces a crisp white beam from a 4° lens which is perfect for shining on mirror balls or table spotting.

### Features:

- 1 x 3W white LED
- Beam angle: 4°
- Compact lightweight plastic case design
- Very low heat output and power consumption
- Supplied with hanging bracket
- Captive power connection
- Convection cooled

### Specifications

- Power consumption: 5W
- Power supply: 240V, 50Hz
- Dimensions: 105 x 85 x 120mm
- Weight: 0.35kg
